TO WHOM IT MAY CONCERN

CONTRACT No.: PR 9/5/3/16 (II): UPGRADING OF DIBETE – MOOKANE - MACHANENG ROAD

We hereby confirm that we have had the opportunity to work with Danoher (Pty) Ltd on the above-mentioned project. This project involves the upgrading of 140 km of existing gravel road to a Double Seal surface standard which is currently standing at 56% complete and is on programme for completion in August 2020.

Danoher are our specialised crushing subcontractor and are responsible for the crushing (valued at approximately BWP 45 Million) of the following products for completion in December 2019:

- 480 000 ton of G2 basecourse
- 33 400 tons of 13.2mm roadstone
- 3 100 tons of 6.7mm roadstone

Danoher have proven to be reliable, consistent with quality and able to achieve their targeted productions consistently.

Yours faithfully,
ACEZ Joint Venture
